

The Marina debit card

The Marina debit card is for sale at the port desk. The debit card is then your property. In the Marina where you are, you need to activate the card, by purchasing some credit.

If there is remaining credit on the debit card it can still be used in the following years.

With the Marina debit card we provide the following services:

Shower building

To open the gate

- * Hold your card in front of the card reader.
- * At first € 0.00 credit appears on the display.
- * Pull away your debit card and now you can push/pull open the gate.

For access to the toilet, hold the card to the reader to the left of the door, remove the card and the door opens towards you.

In the shower cabins is a card reader. When you wish to take a shower, insert the card into the card reader and leave it in. You will get instant hot water as long as you leave the card inside the reader. A cost of **€0.12 per** minute will be debited from your card.

You exit the building through the door and the gate can be opened by pressing the black button to the left of the turnstile.

Elektra

- Hold your card for a short time before the reader.
- Your credit in the screen will light up and you will see your credit.
- You will see that 1 euro of your credit will be removed.
- Press the button corresponding to your electricity pole.
- **(For 1 euro will you get 2 kWh power, 10 Amp)**
- If you wish to purchase more electricity you can do this by repeating the above steps to a maximum of 4 x 2 kWh. Remember to press the button for each time!!!!
- Outside the Port Office you can upload credit to your card by means of a coin operated machine or during office hours it is possible to upload credit at reception.
- **Uploading Credit to Debit Card**
You place the card in the holder of the charging machine and will see your credit. You can then use euro coins to upload credit.
